Manchester Tank & Equipment Names Nancy Chamblee as President

Franklin, TN – June 20, 2019 – Manchester Tank & Equipment Co., a division of McWane, Inc. announced today that Nancy Chamblee has been promoted to the role of President for its consolidated global operations.

Mrs. Chamblee has been with Manchester Tank for the past 5 years where she served the company as its Vice President of Finance, as well as more recent roles in U.S. Operations. Prior to joining Manchester Tank, Nancy spent more than 14 years at General Electric in various Operations and Finance roles of increasing responsibility.

“This is an exciting time for Manchester Tank. We have a very strong team full of outstanding employees. I look forward to continuing the partnerships we have with our key customers and suppliers so we can consistently win in the global markets we serve,” said Chamblee.

Mrs. Chamblee graduated from the University of Tennessee-Chattanooga with a B.S. in Engineering.

About Manchester Tank & Equipment Co.

Manchester Tank & Equipment Co., a division of McWane, Inc. of Birmingham, AL, is an original equipment manufacturer (OEM) and global distributor of low-pressure vessels, domestic and industrial cylinders, propane tanks, air receivers and fire suppressants. Its headquarters are located in Franklin, TN, with manufacturing facilities in Bedford, IN, Crossville, TN, Elkhart, IN, Quincy, IL, Echuca, Australia and two locations in Chile.

About McWane, Inc.

McWane, Inc. is a family-owned business based in Birmingham, AL, with companies across the United States and the world. At the McWane Family of Companies, we cast ductile iron products--including pipe, valves, hydrants, fittings, and plumbing products--manufacture fire extinguishers, fire suppression systems, steel pressure vessels, and build network switches and monitoring equipment. With more than 6,800 team members McWane has a longstanding commitment of support to the communities where we live and work.
